 - If this is an emergency, please dial 9-1-1

If you have questions or concerns related to the City's response to the ongoing COVID-19 pandemic, please call or email our hotline at:

- 208-263-3317 / disaster@sandpointidaho.gov

We strongly encourage you to take advantage of all the online services the City has to offer. This includes online access to utility bills and payments (payments can also be left in the drop box at City Hall or made through your bank's Bill Pay options), as well as parking tickets, dog licenses, business licenses and burn permits and building permits.

All of these services are available on the Permits and Licenses page at sandpointidaho.gov, and can be accessed through the Engage Sandpoint mobile app. The app can be downloaded in the iTunes or GooglePlay store.
